Primary Examiner
Art Unit: 3693

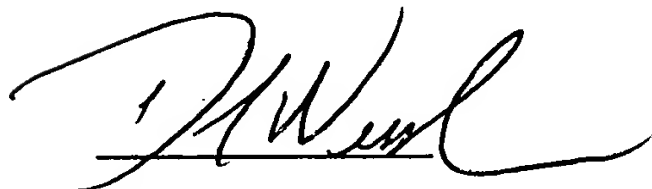

Art Unit: 3693

1. Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

As the Optionable's OPEX options trading platform is a live commercially available system, to advance and consolidate the prosecution, it would be practical for the Examiner to access this system by way of an in-person interview with the Assignee. The applicants are requested to provide a demonstration of the trading system as well as to identify any competing independent software providers identified by the applicant as potentially infringing the claimed invention.

2. This requirement is subject to the provisions of 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of two months. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

and identify the properties of similar products and services found in the prior art.
